4. REVIEW SUMMARY

Please note that this Microsoft software product may use technological measures for copy protection. In such event, you will not be able to use the product if you do not comply with the product activation or reactivation procedures, which may be completed by Internet or telephone (toll charges may apply).

Configuration, pricing, and monthly payment information above is estimated and presented for your convenience only. All pricing, shipping and monthly payment information is subject to change without notice. Final order specifications and amounts, including tax and shipping, will be communicated following receipt of your online order. Dell will not be responsible for typographical or other errors or omissions regarding prices or other information. Products displayed are available to US customers who take delivery in the 50 United States. All sales are subject to Dell's Term and Conditions of Sale.

Intel, Pentium, Intel Inside and the Intel Inside logo are trademarks or registered trademarks of Intel Corporation or its subsidiaries in the United States and other countries.

The Preliminary Ship Date represents the estimated time it takes to process your order and custom build your computer based on approved purchase. The Preliminary Ship Date is not intended to provide you with an actual estimated ship date. You will receive your estimated ship date in your e-mail confirmation after purchase. Your estimated ship date may vary based upon quantity of computers ordered.
